

Remarks
submitted December 2009

[1] This is in reply to the Office Action dated 14 October 2009

[2] Amendments

We request entry of the amendment to the specification as suggested by the examiner in parag 2 of the O/A, i.e:

This application, filed as National Phase application under 35.U.S.C.371 from PCT/CA-2003/002017 having an international filing date of 30 December 2003, is a Continuation-in-Part of US patent application serial number 10/330,108 filed 30 December 2002.

We request that this be done by way of an examiner's amendment.

[3] Double Patenting

We now file a Terminal Disclaimer, as attached, in this case.

[4] This application being now in all respects in condition for allowance, we look forward to receiving notification to that effect.
